

Parent/Guardian of Student Attending Camp 2024

Thank you for allowing your child to go to camp with Corydon Missionary Baptist Church this summer, June 10-14 2024. Your child has been granted a scholarship to pay for their spot at camp, because of the generous members of Corydon Missionary Baptist Church.

A required condition of this scholarship is a signed statement of commitment between the parent/guardian and Corydon Missionary Baptist Church. The statement of commitment is as follows:

A student that is attending Camp on scholarship will not be allowed to back out past the set date of April 1, 2024. Due to the camps policy a refund will not be granted to the church after the date of April 1, 2024. If the student does not attend the camp the parent/guardian and the student will be responsible for reimbursing Corydon Missionary Baptist Church of the amount their scholarship totaled - \$350. If an emergency, another shut-down of the country, or death occurs in your family the church understands that is beyond your control and reimbursement will not be expected.
